Demographic Representativeness of Respondents

Indicator 8 Results

Indicator 8: The percent of parents with a child receiving special education services who report that their child's school facilitated parent involvement as a means of improving services for children with disabilities (IDEA).

Statewide

Indicator 8 Items

Results for each survey item are displayed below. For each item, the percentage of respondents who provided a positive response (Agree or higher on the response scale) is displayed on the far left. On the far right, the frequency of responses to each response category is displayed, ranging from VSD (Very Strongly Disagree) to VSA (Very Strongly Agree). Items are listed in descending order of agreement, with highest agreement listed first.
